**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a consumer and need more providers/competition. I work from home and need way better service than ATT or Comcast can provide. We only have 2 possible providers and this is not enough. They have just kept increasing prices with no increased service/quality. We need a fiber provider in our community.
